Meeting Dates – Each first Thursday or third Wednesday at 7 pm.

Center for Life Meeting Center

12915 Jones Maltsberger, Bldg. 600,
San Antonio, Texas 78247

Who are we? This group meets to discover how NLP can improve our lives, learning together in a fun, relaxed way. This meetup is a cooperative endeavor, co-sponsored by Linaka Joy of **JoyTech**, and by **Best Resources / Texas Institute of NLP**. Our local NLP community, including graduates of the NLP Practitioner or Master Practitioner certification trainings from both Austin and San Antonio, supports our meetup events as well.

JoyTech is a San Antonio enterprise founded by Linaka Joy, dedicated to activating Joy in the world using NLP and other healing and empowering modalities. **Best Resources** is one of the premier NLP skills certification training centers in the world. With its base of operations located right here in San Antonio, they provide quality NLP and specialty trainings in the US, South America, Europe and Eastern Europe.

Meetup Times: Join us every first Thursday or third Wednesday evening, beginning at 7 pm, at our open meetups. We are dedicated to learning and practicing a new and powerfully effective NLP tool each time.

Who attends? Each meetup is open to adults interested in exploring how NLP can work, and no prior NLP knowledge or skill is required. If you are a beginner curious to find out more about NLP, each meetup is designed to welcome and include you as a novice Explorer. Bring your fascination and eagerness to learn. You are welcome to attend and discover for yourself how NLP can enrich your life.

For those who know a little about NLP and want to increase understanding or improve skills, this is a great place to learn and practice. For those who have more experience, you can enjoy each meetup as a chance to grow, a place to hone and enhance your skills. You will have a chance to review a basic NLP process with new eyes, finding even more depth and potential in the utilization of these powerful tools.

Directions: The Center for Life Meeting Center, located at 12915 Jones Maltsberger, Bldg. 600, is in north central San Antonio, between Bitters/Starcrest and Thousand Oaks. Building 600 is in the back on the far north side, adjacent to the back driveway. There is a side or back driveway connecting off Cross Canyon, the side street that marks the entry to the Santa Fe Trail neighborhood. If you are heading north on Jones Maltsberger, Cross Canyon is the first LEFT after the Dollar store. Generally, we meet in the small conference room off the main lobby. Follow the Meetup signs inside.

Attend your first meeting for FREE. For all our **NLP San Antonio** meetup events, you -- or any guests you may bring -- can attend for FREE at your first meeting. When you find value and return to future programs, you can make a suggested cash donation at the door.
